

HOCKERING WOOD

Terms of Entry

You are most welcome to walk in the Wood while it is open to the public. However, you are reminded that it is privately owned Commercial Woodland, which is actively managed.

For everyone's safety when enjoying the Wood, please keep to the following 'Rules':

- This is a natural woodland area and hence the ground will be uneven in parts - take care, wear sensible footwear and be mindful of slip/trip hazards.
- Please enter and exit the Wood only using the main entrance gate.
- Access to/use of the Wood is permitted on foot only.
- Please do not park in front of the Gate: vehicles are left in the slip-way at their owners' risk.
- Access to the Wood is permitted only during daylight hours.
- We recommend wearing long trousers and, should you believe you have been bitten by a tick, seek medical advice.
- No dogs or other pets are allowed in the Wood.
- Please supervise children/vulnerable persons at all times.
- No shooting, camping, BBQ's or picnics are permitted.
- The lighting of fires is strictly forbidden.
- Do not consume alcohol or smoke on site and do not create a noise nuisance.
- Take all litter home with you.
- Please use the tracks (rides) marked on the plan on the other notice and do not enter the Woodland adjacent to the tracks.
- Climbing trees and climbing up to deer seats is strictly forbidden.
- Take care when visiting the ponds.
- Please obey any warning signs.
- Do not pick any flora/fauna - some can be highly poisonous - and do not take any timber from the Wood.
- Please do report any risks/issues you note - see contact number for Jonathan Cheetham shown below.
- Please respect the dates when the Wood is closed for maintenance purposes, as shown on the Gate, and do not enter the Wood on these dates under any circumstances.
